Allowable Subject Matter

1. Claims 1-3, 5-14 allowed.

The following is an examiner's statement of reasons for allowance:

Regarding claims 1, 10, the applicants have presented persuasive arguments, see pages 5-7 of the response filed on 11/10/2006, that none of the cited references of Ilardi, Sun and Merchant teaches or suggests exposing the substrate to an etching bath and etching the substrate in the etching bath as recited in limitations (b) and (f) of amended claims 1, 10 since the goal of Ilardi et al. is to clean without etching (col. 1, lines 10-11), Sun is directed to chemical-mechanical polishing (CMP) and Merchant et al. simply collect the slurry, clean it and recirculate it. The rejection(s) of claims 1, 10 have been withdrawn

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
